

Center	Database Title	Description	URL
ILRI	Library Database	The database presents all publications which have been published by ILRI staff members, ILRI's corporate documents, and access to more than 118,769 records of books in various formats held by the ILRI InfoCentre.	http://ilri.catalog.cgiar.org/ilribsrc.htm
	Publications Database	<p>This database contains all publications which have been produced by ILRI staff members and corporate publications of the Institute such as annual report and the like.</p> <p>It provides direct access to all ILRI technical and scientific publications. It holds full-text (pdf format). These can be searched using full-text contents, title, year of publication, keywords, language, author and broad subjects.</p>	http://ilri.catalog.cgiar.org/ilripubs.htm
	The Sub-Saharan Africa Training Database	The database provides information about the former trainees from Sub-Saharan Africa trained by 14 CGIAR centres. It is owned by the 14 centres and is managed on their behalf by ILRI.	http://www.ilri.org/home.asp?CCID=69&SID=74
	GIS Database	A collection of an extensive range of spatial data layers, a number of which are directly related to livestock. Some of the datasets cover specific project, while others are country-wide, regional, continental or even global.	http://www.ilri.org/gis/
	Domestic Animal Genetic Resources Information System (DAGRIS)	A web-based electronic source of information on selected indigenous farm animal genetic resources. Its current geographic scope is Africa and selected Asian countries with an envisaged future coverage of developing countries in Asia and Latin America and the Caribbean.	http://dagris.ilri.cgiar.org/
